

# Taylor Swift - Mirrorball

tom:  
 D  
 I want you to know  
 Bm G  
 I'm a mirrorball  
 G D  
 I'll show you every version of yourself tonight  
 G  
 I'll get you out on the floor  
 Bm  
 Shimmering beautiful  
 G  
 And when I break, it's in a million pieces  
 D G  
 Hush, when no one is around, my dear  
 G Bm  
 You'll find me on my tallest tiptoes  
 G  
 Spinning in my highest heels, love  
 G  
 Shining just for you  
 D G  
 Hush, I know they said the end is near  
 G Bm  
 But I'm still on my tallest tiptoes  
 G  
 Spinning in my highest heels, love  
 G D  
 Shining just for you  
 D G  
 I want you to know  
 Bm  
 I'm a mirrorball  
 G  
 I can change everything about me to fit in  
 D G  
 You are not like the regulars  
 Bm

The masquerade revelers  
 G  
 Drunk as they watch my shattered edges glisten  
 D G  
 Hush, when no one is around, my dear  
 G Bm  
 You'll find me on my tallest tiptoes  
 G  
 Spinning in my highest heels, love  
 G D  
 Shining just for you  
 D G  
 Hush, I know they said the end is near  
 G Bm  
 But I'm still on my tallest tiptoes  
 G  
 Spinning in my highest heels, love  
 G D  
 Shining just for you  
 D  
 And they called off the circus, burned the disco down  
 G  
 When they sent home the horses and the rodeo clowns  
 B  
 I'm still on that tightrope  
 G  
 I'm still trying everything to get you laughing at me  
 D  
 And I'm still a believer, but I don't know why  
 G Bm  
 I've never been a natural, all I do is try, try, try  
 Bm  
 I'm still on that trapeze  
 G D  
 I'm still trying everything to keep you looking at me  
 G  
 Because I'm a mirrorball  
 Bm  
 I'm a mirrorball  
 G D  
 And I'll show you every version of yourself tonight
