

# Taylor Swift - My Tears Ricochet

tom:

G

We gather here, we line up, weepin' in a sunlit room  
And if I'm on fire, you'll be made of ashes, too  
Even on my worst day, did I deserve, babe

All the hell you gave me?  
'Cause I loved you, I swear I loved you  
'Til my dying day

I didn't have it in myself to go with grace  
And you're the hero flying around, saving face  
And if I'm dead to you, why are you at the wake?  
Cursing my name, wishing I stayed  
Look at how my tears ricochet

( C Dm Am F )

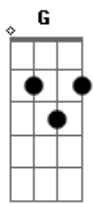

We gather stones, never knowing what they'll mean  
Some to throw, some to make a diamond ring  
You know I didn't want to have to haunt you  
But what a ghostly scene  
You wear the same jewels that I gave you  
As you bury me

Dm Am F C  
I didn't have it in myself to go with grace  
Dm Am F C  
'Cause when I'd fight, you used to tell me I was brave  
F Dm Am F C  
And if I'm dead to you, why are you at the wake?  
Dm Am  
Cursing my name, wishing I stayed  
F  
Look at how my tears ricochet

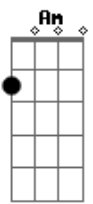

C Dm  
And I can go anywhere I want  
Am F  
Anywhere I want, just not home  
C Dm  
And you can aim for my heart, go for blood  
Am F  
But you would still miss me in your bones  
Dm Am F  
And I still talk to you (When I'm screaming at the sky)  
C Dm Am F  
And when you can't sleep at night (You hear my stolen lullabies)

C Dm Am F C  
I didn't have it in myself to go with grace  
Dm Am F C  
And so the battleships will sink beneath the waves  
Dm Am F  
You had to kill me, but it killed you just the same  
C Dm Am  
Cursing my name, wishing I stayed  
F  
You turned into your worst fears  
C Dm Am  
And you're tossing out blame, drunk on this pain  
F  
Crossing out the good years  
C Dm Am  
And you're cursing my name, wishing I stayed  
F  
Look at how my tears ricochet
