

Taylor Swift - Never Mind

Tom: Bb

(com acordes na forma de
Capotraste na 3ª casa
Intro: G Am Em G D

D G
Look at you
Em
Look at me
C
Look at who
G D
We could be
G
I wanna know
Em
Who you are
C
What you want
G D
From the stars
Em C
And every time I look at you I can hardly say a thing
G
My head starts to spin and it hits me then
D
I love you

Em C
And every time you look at me I could go crazy but I don't say
it but I
G
won't cause I rather be alone

D
Then lose you

C D G
Em
And all I really want to do is be next to you but I'm too
tired to fight
C D
And I could tell you now but baby never mind

(G Am Em Am Em Am G D)

D G
All the time
Em
Every day

C G D

There's nothing I could do baby to make it go away

G
So look at you

Em
And look at me

C G D
I think of who we could be

Em C
But every time I look at you I can hardly say a thing

G
My head starts to spin and it hits me again

D
I love you

Em C
And every time you look at me I could go crazy but I don't say
it but I

G
won't cause I rather be alone

D
Then lose you

C D G
Em
And all I really want to do is be next to you but I'm too
tired to fight

C D
And I could tell you now but baby never mind

(G Am Em Am Em Am G D)

C D G
Em
All I really want to say is I need you baby I'm happy don't
you understand

C D
What happens if you turn away

G Em
And everything turns blue and gray

C D G Em
And I just wish I'd told you never mind

C D
And I could tell you now but baby never mind

G
Yeah

Em C
Oh yeah

G D G
I can tell you now but never mind

G
Yeah

Em C
Oh yeah

G D G
And I can tell you now but never mind
