

Taylor Swift - New Romantics

Tom: F

(com acordes na forma de Capotraste na 5ª casa C)
Intro: F Am G Dm F Am G

We're all bored
We're all so tired of everything
We wait for trains that just aren't coming
We show off our different scarlet letters
Trust me mine is better
We're so young but we're on the road to ruin
We play dumb
But we know exactly what we're doing
We cry tears
Of mascara in the bathroom
Honey life is just a classroom

Refrão:

Cause baby I could build a castle
Out of all the bricks they threw at me
And every day it's like battle
But every night with us is like a dream
Baby we're the new romantics
Come on, come on along with me
Heart break is the national anthem
We sing it proudly
We are too busy dancing
To get knocked off our feet
Baby we're the new romantics
The best people in life are free

Verso:

We're all here
The light and noise are blinding
We hang back
It's all in the timing
It's poker, he can't see in my face
But I'm about to play my ace
We need love, but all we want is danger
We team up and switch up sides like a record changer
The rumours are terrible and cruel

Buy honey most of them are true

Refrão:

Cause baby I could build a castle
Out of all the bricks they threw at me
And every day it's like battle
But every night with us is like a dream
Baby we're the new romantics
Come on, come on along with me
Heart break is the national anthem
We sing it proudly
We are too busy dancing
To get knocked off our feet
Baby we're the new romantics
The best people in life are free
So come on, come on along with me
The best people in life are free

Ponte:

Please take my hand
And please take me dancing
And please leave me stranded it's so romantic
