tom:

C

They tell you while you're young C  
Girls, go out and have your fun Am  
Then they hunt and slay the ones Em  
Who actually do it F G

Criticize the way you fly C  
When you're soaring through the sky Am  
Shoot you down and then they sigh and say Em  
She looks like she's been through it F G

[Pré-Refrão]

F  
Lord, what will become of me  
Once I've lost my novelty? G

[Refrão]

F G C  
I've had too much to drink tonight  
And I know it's sad, but this is what I think about Am  
And I wake up in the middle of the night F G C  
It's like I can feel time moving Am  
How can a person know everything at 18 F G  
But nothing at 22? C Am  
And will you still want me F  
When I'm nothing new? G

C  
How long will it be cute  
All this crying in my room? Am  
When you can't blame it on my youth Em  
And roll your eyes with affection F G  
And my cheeks are growing tired C  
From turning red and faking smiles Am  
Are we only biding time Em  
'Til I lose your attention? F G

[Pré-Refrão]

F  
And someone else lights up the room  
People love an ingénue G
