tom:

C

They tell you while you're young C

Girls, go out and have your fun Am

Then they hunt and slay the ones Em

Who actually do it F G

Criticize the way you fly C

When you're soaring through the sky Am

Shoot you down and then they sigh and say Em

She looks like she's been through it F G

[Pré-Refrão]

F Lord, what will become of me

G Once I've lost my novelty?

[Refrão]

F G C I've had too much to drink tonight

Am And I know it's sad, but this is what I think about

F G C And I wake up in the middle of the night

Am It's like I can feel time moving

F G How can a person know everything at 18

C Am But nothing at 22?

F And will you still want me

G When I'm nothing new?

C How long will it be cute

Am All this crying in my room?

Em When you can't blame it on my youth

F G And roll your eyes with affection

C And my cheeks are growing tired

Am From turning red and faking smiles

Em Are we only biding time

F G 'Til I lose your attention?

[Pré-Refrão]

F And someone else lights up the room

G People love an ingénue
