

Taylor Swift - Nothing New (feat. Phoebe Bridgers)

tom:

[Primeira Parte]

They tell you while you're young
Girls, go out and have your fun
Then they hunt and slay the ones
Who actually do it

Criticize the way you fly
When you're soaring through the sky
Shoot you down and then they sigh and say
She looks like she's been through it

[Pré-Refrão]

Lord, what will become of me
Once I've lost my novelty?

[Refrão]

I've had too much to drink tonight
And I know it's sad, but this is what I think about
And I wake up in the middle of the night
It's like I can feel time moving
How can a person know everything at eighteen
But nothing at twenty-two?
And will you still want me
When I'm nothing new?

How long will it be cute
All this crying in my room?
When you can't blame it on my youth
And roll your eyes with affection
And my cheeks are growing tired
From turning red and faking smiles
Are we only biding time
'Til I lose your attention?

[Pré-Refrão]

And someone else lights up the room?

Acordes

People love an ingénue

[Refrão]

I've had (I've had)
Too much to drink tonight
How did I go from growing up to breaking down?
And I wake up (wake up)
In the middle of the night
It's like I can feel time moving
How can a person know everything at eighteen
But nothing at twenty-two?
And will you still want me
When I'm nothing new?

[Ponte]

I know someday I'm gonna meet her
It's a fever dream
The kind of radiance you only have at seventeen
She'll know the way and then she'll say she got the map from me
I'll say I'm happy for her
Then I'll cry myself to sleep
Oh woah ohh, oh woah ohh, oh, oh

[Refrão]

I've had (I've had)
Too much to drink tonight
But I wonder if they'll miss me once they drive me out
And I wake up (wake up)
In the middle of the night
It's like I can feel time moving
How can a person know everything at eighteen
But nothing at twenty-two?
And will you still want me
Will you still want me?
Will you still want me?
When I'm nothing new?
