

# Taylor Swift - Now That We Don't Talk

tom:

Intro: C F C

C  
You went to a party

I heard from everybody  
F  
You part the crowd like the Red Sea

Don't even get me started  
C  
Did you get anxious though

On the way home?  
F  
I guess I'll never, ever know  
C F

Now that we don't talk

C  
You grew your hair long

You got new icons  
F  
And from the outside

It looks like you're tryin' lives on  
C  
I miss the old ways

You didn't have to change  
F  
But I guess I don't have a say  
Am

Now that we don't talk

Am  
I call my mom, she said that it was for the best

F  
Remind myself the more I gave, you'd want me less

C  
I cannot be your friend

So I pay the price of what I lost  
G

And what it cost

Now that we don't talk  
C

C  
What do you tell your friends we

F  
Shared dinners, long weekends with

C  
Truth is I can't pretend it's

F  
Platonic, it's just ended

Am  
So I call my mom, she said to

get it off my chest

F  
Remind myself the way you faded 'til I left

C  
I cannot be your friend

So I pay the price of what I lost  
G

And what it cost

Now that we don't talk  
C

( F Am F )

C  
And did you think I didn't see you?

There were flashing lights  
C  
At least I had the decency

F  
To keep my nights out of sight

Only rumors 'bout my hips and thighs  
F  
And my whispered sighs

Oh, Lord, I think about  
Am  
Jumping off of very tall somethings

F  
Just to see you come running

F  
And say the one thing I've been wanting

C  
But no

C  
Let's fast forward to three hundred

awkward blind dates later  
F  
If she's got blue eyes, I will surmise that

you'll probably date her

Am  
You dream of my mouth before it

called you a lying traitor

F  
You search in every model's bed for

something greater

C  
Baby, was it over

C  
When she laid down on your couch?

F  
Was it over when he unbuttoned my blouse?

Am  
"Come here, " I whispered in your ear

Am  
In your dream as you passed out, baby

F  
Was it over then?

F C  
And is it over now?

G  
Ah-ha

Am F  
Ah-ha

C  
Remember when you hit the brakes too soon?

G  
20 Stitches in a hospital room

G  
When you started crying, baby, I did too

Am  
But when the sun came up, I was looking at you

Am  
Remember when we couldn't take the heat?

F  
I walked out, I said, "I'm setting you free"

F  
But the monsters turned out to be just trees

C  
When the sun came up, you were looking at me

G  
You were looking at me, oh

Am  
You were looking at me

F  
I remember

F

I remember

But now

I don't have to pretend I like acid rock

Or that I'd like to be on a mega yacht

With important men who think important thoughts

Guess maybe I am better off

Now that we don't talk

And the only way back to my dignity

Was to turn into a shrouded mystery

Just like I had been when you were chasing me

Guess this is how it was to be

Now that we don't talk

Now that we don't talk

Now that we don't talk

Now that we don't talk

Think I didn't see you?

There were flashing lights

## Acordes

At least I had the decency

To keep my nights out of sight

Only rumors 'bout my hips and thighs

And my whispered sighs

Oh, Lord, I think about

Jumping off of very tall somethings

Just to see you come running

And say the one thing I've been wanting

But no

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods yet?

Let's fast forward to three hundred

takeout coffees later

I don't have to pretend I like acid rock

And say the one thing, that you wanted

But no
