Tom: **Gb**

(com acordes na forma de **D**)  
Capostrate na 4ª casa  
(capo 4ª casa)

(intro 2x) **D A Em G**

**D** **A**  
We were standing in an empty room  
**Em** **G**  
The moonlight was falling  
**D** **A** **Em** **G**  
You were holding my hand when the car pulled up for you  
**D** **A**  
And I could have spent a life with you  
**Em** **G**  
But those days were over  
**D** **A** **Em** **G**  
You were calling my name when your face faded from view  
**Em** **G** **D** **A**  
And wasn't it you who told me the sun would always chase the day  
**Em** **G**  
And wasn't it you who told me:

(refrão)  
**D** **A** **Em** **G**  
Angels fly in the air tonight  
**D** **A** **Em** **G**  
Saying wasn't it just like swimming out on the lake?  
**D** **A** **Em** **G**  
And stars collide and the air's alive  
**D** **A** **Em**  
Or was it just like those promises that you made  
**G** **D**  
On our last night?

**D** **A**  
I remember waking up with you  
**Em** **G**  
The days doing nothing  
**D** **A** **Em** **G**  
You meant more to me then than I think you ever knew.  
**D** **A**  
But you were gonna be a doctor, movie star  
**Em** **G**  
A poet at a Nobel seminar  
**D** **A** **Em** **G**  
I hope the world never tore that out of you

Cause wasn't it you who told me the sun would always chase the day  
Yeah wasn't it you who told me:

(refrão)  
**D** **A** **Em** **G**  
Angels fly in the air tonight  
**D** **A** **Em** **G** **Em** **G**  
saying wasn't it just like swimming out on the lake?  
**D** **A** **Em** **G**  
And stars collide and the air's alive  
**D** **A** **Em**  
Or was it just like those promises that you made  
**G** **D**  
On our last night?

(bridge)  
**Em** **G**  
And what ever happened to the things you loved  
**D** **A**  
And the songs we played, and the indian days  
**Em** **G** **D**  
Whatever happened to the things you gave away?  
**A** **Em** **G** **D**  
Like Harold and Maude singing  
**A** **Em** **G** **D**  
Like Harold and Maude singing  
( **A** **Em** **G** **D** ) (2x)

**D** **A**  
I was waving as you drove away  
**Em** **G**  
The sunlight was falling  
**D** **A** **Em**  
You were writing backwards in a dusty window pane

(refrão)  
**D** **A** **Em** **G**  
Angels fly in the air tonight  
**D** **A** **Em** **G** **Em** **G**  
Saying wasn't it just like swimming out on the lake?  
**D** **A** **Em** **G**  
And stars collide and the air's alive  
**D** **A** **Em**  
Or was it just like those promises that you made  
**G** **D** **A** **Em**  
On our last night?  
**G** **D** **A** **Em**  
On our last night?  
**G** **D** **A** **Em**  
On our last night?
