

# Taylor Swift - Permanent Marker

Tom: D

Casa 5

D G A  
I know he loved you  
D G A  
A long time ago  
D G A  
I ain't jealous of you  
D G A  
Just thought you should know  
D G  
You were never good enough for him  
A  
Or anything like me  
D G  
So you might as well sit back cause I ain't  
A  
trying to show maturity

D G A  
X is the shape I drew through your face  
D G A  
in permanent marker, oh  
D G A  
Just like the mark you knew you were making  
D G  
Who do you think you are  
A  
Drawin' on his heart  
D G A  
in permanent marker

D G A  
Well I found that picture  
D G A  
Of you in that green dress  
D G A  
Sure had a good time  
D G A  
Cleanin' up that mess  
D G  
He found thirty other pieces  
A  
But he'll never find them all  
D G  
Tried to tape them back together  
A

Now he knows to keep them off the wall

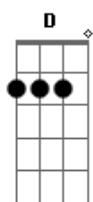

D G A  
X is the shape I drew through your face  
D G A  
in permanent marker, oh  
D G A  
Just like the mark you knew you were making  
D G  
Who do you think you are  
A  
Drawin' on his heart  
D G A  
in permanent marker

D G A  
Well I don't appreciate you callin him a reminisce  
D G A  
The only reason is you're seein just how much better off he is

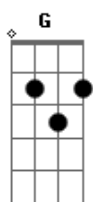

D G A  
X is the shape I drew through your face  
D G A  
in permanent marker, oh yeah  
D G A  
Just like the mark you knew you were making  
D G  
Who do you think you are  
A  
Drawin' on his heart  
D G A  
in permanent marker

D G A  
X is the shape I drew through your face  
D G A  
in permanent marker, oh  
D G A  
Just like the mark you knew you were making  
D G  
Who do you think you are  
A  
Drawin' on his heart  
D G A  
in permanent marker  
D G A  
In permanent marker  
D  
Permanent marker
