

# Taylor Swift - Run (Feat. Ed Sheeran)

tom:  
Capostrate na 1ª casa

**Eb** (forma dos acordes no tom de **D**)

**D G D G**  
One, two, three, four

[Primeira Parte]

**D G D G**  
Give me the keys, I'll bring the car back around  
**D G D G**  
We shouldn't be in this town  
**D G**  
And my so-called friends, they don't know  
**D G D**  
I'd drive away before I let you go  
**G D G**  
So give me a reason and don't say no, no  
**Em Bm**  
There's a chain 'round your throat, piece of paper where I wrote  
**D A**  
"I'll wait for you"  
**Em Bm**  
There's a key on the chain, there's a picture in a frame  
**D A**  
Take it with you

[Refrão]

**D G D G**  
And run, like you'd run from the law  
**D G**  
Darling, let's run  
**D G**  
Run from it all  
**G A**  
We can go where our eyes can take us  
**G D**  
Go where no one else is, run  
**G D**  
Ooh, we'll run  
**G D**  
Ooh, we'll run  
**G D**  
Ooh, we'll run

[Segunda Parte]

**D G**  
So you laugh like a child  
**D G D**  
And I'll sing like no one cares  
**G D G**  
No one to be, no one to tell  
**D G D**  
I could see this view a hundred times  
**G D**  
Pale blue sky reflected in your eyes  
**G D G**

So give me a reason and don't say no, no  
**Em Bm**  
And the note from the locket, you keep it in your pocket  
**D A**  
Since I gave it to you  
**Em**  
There's a heart on your sleeve  
**Bm**  
I'll take it when I leave  
**D A**  
And hold it for you

[Refrão]

**D G D G**  
And run, like you'd run from the law  
**D G**  
Darling, let's run  
**D G**  
Run from it all  
**G A**  
We can go where our eyes can take us  
**G D**  
Go where no one else is, run  
**G D**  
Ooh, we'll run  
**G D**  
Ooh, we'll run  
**G D**  
Ooh, we'll run

[Ponte]

**G**  
There's been this hole in my heart  
**A**  
This thing was a shot in the dark  
**G**  
Say you'll never let 'em tear us apart  
**A**  
And I'll hold onto you while we run (And we run, and we run, and we run) mo

[Refrão]

**Oh**  
**D G D G**  
And run, like you'd run from the law  
**D G**  
Darling, let's run  
**D G**  
Run from it all  
**G A**  
We can go where our eyes can take us  
**G D**  
Go where no one else is, run  
**G D**  
Ooh, we'll run  
**G D**  
Ooh, we'll run  
**G D**  
Ooh, we'll run

## Acordes
