

Taylor Swift - So It Goes

Tom: B

m ^G
^A
 See you in the dark, All eyes on you, my magician
^A
 All eyes on us, you make everyone disappear, and
^A
 Cut me into pieces gold cage, hostage to my feelings
^A
 Back against the wall, trippin', trip-trippin' when you're gone
^A
 'Cause we breakdown a little, but when you get me alone, it's so simple
^A
 'Cause baby, I know what you know, we can feel it
^A
 And all our pieces fall, right into place
^{Em}
 Getting caught up in a moment, lipstick on your face, so it goes
^{Em}
 I'm yours to keep, and I'm yours to lose
^{Em}
 You know I'm not a bad girl, but I do bad things with you, so it goes
^A
 Met you in a bar, all eyes on me, your illusionist
^A
 All eyes on us, I make all your gray days clear, and
^A
 I wear you like a necklace, I'm so chill but you make me jealous
^A
 But I got your heart, skippin', skip-skip-pin' when I'm gone
^A
 'Cause we breakdown a little, but when you get me alone, it's so simple
^A
 'Cause baby, I know what you know, we can feel it
