

Taylor Swift - Speak Now

Tom: G

I am not the kind of girl

Who should be rudely barging in

On a white veil occasion

But you are not the kind of boy

Who should be marrying the wrong girl

I sneak in and see your friends

And her snotty little family

All dressed in pastel

And she is yelling at a bridesmaid

Somewhere back inside a room

Wearing a gown shaped like a pastry

Thi--is i---is surely not

What you thought it would be

I---I lose myself in a daydream

Where I stand and say

Don't say "yes" run away now

I'll meet you when you're out

Of the church at the back door

Don't wait or say a single vow

You need to hear me out

And they said "speak no-ow"

(G D Am C)

Fond gestures are exchanged

And the organ starts to play a song

That sounds like a death march

And I am hiding in the curtains

It seems that I was uninvited

By your lovely bride-to-be

She|---e floats down the aisle

Like a pageant queen

But I--I kno--ow

You wish it was me

You wish it was me, don't you?

Don't say "yes" run away now

Am

I'll meet you when you're out

Of the church at the back door

Don't wait or say a single vow

You need to hear me out

And they said "speak no-ow"

Don't say "yes" run away now

I'll meet you when you're out

Of the church at the back door

Don't wait or say a single vow

Your time is running out

And they said "speak no-ow"

Ohoooh laaaahhoh

Oooh(Say you see me now)ooohooh

I hear the preacher say speak now

Or forever ho-oid yo-ur pe-e-e-eace

There's the silence, there's my last chance

I stand up with shaky hands

All eyes on me

Horriified looks from everyone in the room

But I'm only lookin' at you

I am not the kind of girl

Who should be rudely barging in

On a white veil occasion

But you are not the kind of boy

Who should be marrying the wrong girl

So don't say "yes" run away now

I'll meet you when you're out

Of the church at the back door

Don't wait or say a single vow

You need to hear me out,

They said "speak no-ow"

And you say "let's run away now

I'll meet you when I'm out

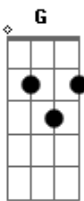

Of my tux at the back door

Baby, I didn't say my vows

So glad you were around

When they said "speak no-ow"
