

Taylor Swift - Starlight

Tom: E

I said oh my what a marvellous tune
 It was the best night never would forget how we moved
 The whole place was dressed to the nines
 And we were dancing dancing
 Like we're made of starlight
 Like we're made of starlight
 I'm a barbie on the boardwalk summer of 45
 Picks me up play one night at the window
 He was 17 and crazy running wild wild
 Can't remember what song it was playing when we walked in
 The night we snook into a yacht club party
 Pretending to be a duchess and a prince
 I said oh my what a marvellous tune
 It was the best night never would forget how we moved
 The whole place was dressed to the nines
 And we were dancing dancing
 Like we're made of starlight starlight
 Like we're made of starlight starlight
 He still look at you worrying so much about things you can't change
 You'll spend your whole life singing the blues if you keep thinking away
 He was trying to skip rocks on the ocean saying to me
 Don't you see the starlight starlight?

Don't you dream impossible things?
 Like oh my what a marvellous tune
 It was the best night never would forget how we moved
 The whole place was dressed to the nines
 And we were dancing dancing
 Like we're made of starlight starlight
 Like we're made of starlight starlight
 Ooh ooh he's talking crazy
 Ooh ooh dancing with me
 Ooh ooh we could get married
 Have ten kids and teach them how to dream
