

## Taylor Swift - Stupid Boy

```
Intro: 2x: Em C D G D
     C
Let me know how's it feel
      G D Em
To be under my skin
      C
Wrapped around my heart
      G
                D
Is it like anywhere you've been?
 G D Em
And everything I do, I do it just for you
So why the hell don't you love me?
 Why the hell don't you need me
Like I need you?
Why are you so far above me?
 Don't you know that there's nothing I wouldn't do?
         Am
But I was just a toy
           C
That's what you destroyed
      Em C D G D Em C D
Stupid boy
I have been, looking in
    G D
Trying to read your mind
          С
Give you the benefit of the doubt
    G D Em C
Every single time
          G
But didn't you waltz right by
            D
I'm screamin' out inside
So why the hell don't you love me?
 Why the hell don't you need me
```

```
Like I need you?
Why are you so far above me?
 Don't you know that there's nothing I wouldn't do?
But I was just a toy
That's what you destroyed
       Em C D G D Em C D
Stupid Boy
 What happens when you wake up
And see what you've lo ost
 Take one look at me cause
               G D
That's what it co ost
                 Am
I was gonna be everything you need
Cause you are everything to me
So why the hell don't you love me?
 Why the hell don't you need me
       G
Like I nee ed you?
Why are you so far above me?
 Don't you know that there's nothing I wouldn't do?
          Am
But I was just a toy
That's what you destroyed
      Em C D G D Em C D
Stupid Boy
Let me know how's it feel
 G D Em
To be under my skin
