

Taylor Swift - Sweeter Than Fiction / Holy Ground

tom:
Eb (forma dos acordes no tom de C)
Capostrate na 3ª casa

Hit the ground, hit the ground, hit the
Ground, oh oh

Only sound, only sound that you hear is
"No"

You never saw it comin', slipped when
You started runnin'

And now you've come undone and I, I
I, I

Seen you fall, seen you crawl on your
Knees, eh eh

See you lost in a crowd, seen your
Colors fade

Wish I could make it better, someday
You won't remember

This pain you thought would last
Forever and ever

There you'll stand, 10 feet tall
I will say, "I knew it all along"

Your eyes, wider than distance
This life is sweeter than fiction

Just a shot, just a shot in the dark
Oh oh

All you got, all you got are your
Shattered hopes

They never saw it comin', you hit the
Ground running

And now you're onto something, I, I, I
Say

What a sight, what a sight when the
Light came on

Proved me right, proved me right when
You proved them wrong

And then this perfect weather, it's
Like we don't remember

The rain you thought would last forever
And forever

There you'll stand, 10 feet tall
I will say, "I knew it all along"

Your eyes, wider than distance
This life is sweeter than fiction

Ooh-ah, ooh-ah, ooh-ah-oh-oh
Ooh-ah, ooh-ah, ooh-ah-oh-oh

I was reminiscing just the other day

While having coffee all alone and Lord
It took me away

Back to a first-glance feeling on New
York time

Back when you fit in my poems like a
Perfect rhyme

Took off fast through the green light
Go

Hey skip the conversation and you
Already know

I left a note on the door with a joke
We'd made

And that was the first day

And darling it was good

Never looking down

And right there where we stood
Was holy ground

Ooh-ah, ooh-ah, ooh-ah-oh-oh
Ooh-ah, ooh-ah, ooh-ah-oh-oh

Tonight I'm gonna dance for all that
We've been through

But I don't wanna dance if I'm not
Dancing with you

Tonight I'm gonna dance like you were
In this room

But I don't wanna dance if I'm not
Dancing with you

And I'll be one of the many saying
Look at you now, look at you now, now

I'll be one of the many saying

You've made us proud, you've made us
Proud, proud

I'll be one of the many saying

Look at you now, look at you now, now

I'll be one of the many saying

You've made us proud, you've made us

Proud, proud

And when they call your name

And they put your picture in a frame

You'll know that I'll be there time & again

Cause I loved you then

Darling it was good

Never looking down
And right there where we stood
Was holy ground
Was holy ground
This life is sweeter than fiction
Holy ground
This life is sweeter than fiction
