

# Taylor Swift - Tell Me Why

Tom: G

I took a chance, I took a shot  
 And you might think I'm bulletproof, but I'm not  
 You took a swing, I took it hard  
 And down here from the ground I see who you are  
 I'm sick and tired of your attitude  
 I'm feeling like I don't know you  
 You tell me that you love me then cut me down  
 And I need you like a heartbeat  
 But you know you got a mean streak  
 Makes me run for cover when you're around  
 And here's to you and your temper  
 Yes, I remember what you said last night  
 And I know that you see what you're doing to me  
 Tell me why  
 You could write a book on  
 How to ruin someones perfect day  
 Well I get so confused and frustrated  
 Forget what I'm trying to say, oh  
 I'm sick and tired of your reasons  
 I got no one to believe in  
 You tell me that you want me, then push me around

And I need you like a heartbeat  
 But you know you got a mean streak  
 Makes me run for cover when you're around  
 And here's to you and your temper  
 Yes, I remember what you said last night  
 And I know that you see what you're doing to me  
 Tell me why  
 Why... do you have to make me feel small  
 So you can feel whole inside  
 Why... do you have to put down my dreams  
 So you're the only thing on my mind  
 I'm sick and tired of your attitude  
 I'm feeling like I don't know you  
 You tell me that you want me then cut down  
 I'm sick and tired of your reasons  
 I got no one to believe in  
 You ask me for my love then you push me around  
 Here's to you and your temper  
 Yes, I remember what you said last night  
 And I know that you see what you're doing to me  
 Tell me why, why, tell me why, ohh  
 I take a step back, let you go  
 I told you I'm not bulletproof, now you know
