Taylor Swift - The Alchemy

                        tom:
            C                  [Primeira Parte]

C7M                         Am7
This happens once every few lifetimes
C7M                          Am7
These chemicals hit me like a white wine
C7M                  F7M
What if I told you I'm back?
                   C7M
The hospital was a drag, worst sleep that I ever
F7M
Had
                      C7M
I circled you on a map
                          F7M
I haven't come around in so long
C7M                  F7M
But I'm coming back so strong

[Refrão]

         C7M
So when I touch down call the amateurs and cut
          F7M
'Em from the team

Ditch the clowns, get the crown baby, I'm the one
     Am7
To beat

Cause the sign on your heart said it's still
            F7M
Reserved for me
F7M
Honestly, who are we to fight the alchemy?

[Segunda Parte]

C7M
Hey you, what if I told you we're cool?
     F7M
That child's play back in school is forgiven

Under my rule
      C7M                    F7M
I haven't come around in so long
          C7M                   F7M
But I'm making a comeback to where I belong

[Refrão]

          C7M
So when I touch down, call the amateurs and cut
             F7M

```
          C7M
These thugs warm the benches we've been on a
            F7M
Winning streak
                                           Am7

[Ponte]

C7M
Shirts off and your friends lift you up over
     F7M
Their heads

Beer sticking to the floor, cheers chanted cause
               C7M
They said

There was no chance tryna be the greatest in the
F7M
League

Where's the trophy? He just comes running over to
C7M
Me

[Refrão]
