

# Taylor Swift - The Alchemy

tom:  
A

D Bm  
This happens once every few lifetimes  
D Bm  
These chemicals hit me like white wine  
D G  
What if I told you I'm back?  
D  
The hospital was a drag  
G  
Worst sleep that I ever had  
D  
I circled you on a map  
G  
I haven't come around in so long  
D G  
But I'm coming back so strong

D  
So when I touch-down  
G  
Call the amateurs and cut 'em from the team  
D  
Ditch the clowns, get the crown  
Bm  
Baby, I'm the one to beat  
G  
'Cause the sign on your heart said it's still  
Reserved for me  
A  
Honestly, who are we to fight th? alchemy?

C G  
And I chose you  
Em D  
The one I was dancin' with  
C G  
In New York, no shoes  
Em D  
Looked up at the sky and it was  
C  
The burgundy on my T-shirt  
G  
When you splashed your wine into me  
Em  
And how the blood rushed into my cheeks  
D  
So scarlet, it was  
C  
The mark you saw on my collarbone  
G  
The rust that grew between telephones  
Em  
The lips I used to call home  
D C G Em D  
So scarlett the alchemy

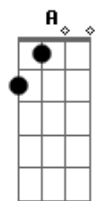

So scarlet, it was maroon

D  
These blokes warm the benches  
G  
We've been on a winning streak  
Bm  
He jokes that it's heroin, but this time with an E  
G  
'Cause the sign on your heart said it's still reserved for me  
A  
Honestly, who are we to fight the alchemy?

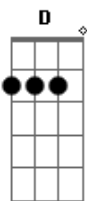

D G  
Shirts off, and your friends lift you up over their heads  
D  
Beer stickin' to the floor, cheers chanted 'cause they said  
G  
There was no chance trying to be the greatest in the league  
D  
Where's the trophy? He just comes, running over to me  
Em D  
Carnations you had thought were roses, that's us  
C G  
I feel you no matter what  
D  
The rubies that I gave up  
C G  
And I wake with your memory over me  
Em D  
That's a real fucking legacy, legacy  
C G  
And I wake with your memory over me  
Em D  
That's a real fucking legacy to leave  
C  
The burgundy on my T-shirt  
G  
When you splashed your wine into me  
Em  
And how the blood rushed into my cheeks  
D  
So scarlet it was  
C  
The mark you saw on my collarbone  
G  
The rust that grew between telephones  
Em  
The lips I used to call home  
D C G Em D  
So scarlett the alchemy  
D Bm  
These chemicals hit me like white wine

It was maroon  
D Bm  
This happened once every few lifetimes  
It was maroon
