Taylor Swift - The Archer

Tom: G
Intro: C

[Primeira Parte]

```
G       Am                      F
Combat, I'm ready for combat
              G          Am            F
I say I don't want that, but what if I do?
         G       Am              F
'Cause cruelty wins in the movies
             G                Am                F
I've got a hundred thrown-out speeches I almost said to you
```

[Pré-Refrão]

```
 C
Easy they come, easy they go
     G
I jump from the train, I ride off alone
     Am
I never grew up, it's getting so old
 F
Help me hold on to you
```

[Refrão]

```
               C              G          F
I've been the archer, I've been the prey
                 Am
Who could ever leave me, darling
 G          F
But who could stay?
```

[Segunda Parte]

```
G       Am                    F
Dark side, I search for your dark side
              G          Am            F
But what if I'm alright, right, right, right here?
         G     Am              F
And I cut off my nose just to spite my face
                G       Am            F
Then I hate my reflection for years and years
```

[Pré-Refrão]

```
   C
I wake in the night, I pace like a ghost
     G
The room is on fire, invisible smoke
     Am
And all of my heroes die all alone
 F
Help me hold on to you
```

[Refrão]

```
               C              G          F
I've been the archer, I've been the prey
```

```
                            Am
Screaming, who could ever leave me, darling
       G              F
But who could stay?
```

(I see right through me, I see right through me)

[Ponte]

```
            C
'Cause they see right through me
 C
They see right through me
   G
They see right through
       G
Can you see right through me?
 Am
They see right through
 Am
They see right through me
 F
I see right through me
 F
I see right through me
```

[Pré-Refrão]

```
   C
All the king's horses, all the king's men
 G
Couldn't put me together again
             Am
'Cause all of my enemies started out friends
 F
Help me hold on to you
```

[Refrão]

```
               C              G          F
I've been the archer, I've been the prey
                 Am
Who could ever leave me, darling
 G          F
But who could stay?
```

```
(I see right through me, I see right through me)
           C
Who could stay?
G          F
Who could stay?
             Am
Who could stay?
G          F
You could stay
             C   G  F
You could stay
```

```
Am        G            F     G
Combat, I'm ready for combat
```
