

Taylor Swift - The Great War

tom:
Capostrate na 3ª casa

My knuckles were bruised like violets
Sucker punching walls, cursed you as I sleep talked
Spineless in my tomb of silence
Tore your banners down, took the battle underground
And maybe it was ego swinging
Maybe it was her
Flashes of the battle come back to me in a blur

All that blood shed, crimson clover
Uh-huh, sweet dream was over
My hand was the one you reached for
All throughout the Great War

Always remember
Uh-huh, tears on the letter
I vowed not to cry anymore
If we survived the Great War

You drew up some good faith treaties
I drew curtains closed, drank my poison all alone
You said I have to trust more freely
But diesel is desire, you were playing with fire
And maybe it's the past that's talking
Screaming from a crypt
Telling me to punish you for things you never did
So I justified it

All that blood shed, crimson clover
Uh-huh, the bombs were close and
My hand was the one you reached for
All throughout the Great War

Always remember

Acordes

Uh-huh, the burning embers
I vowed not to fight anymore
If we survived the Great War

Uh-huh
Uh-huh

It turned into something bigger
Somewhere in the haze got a sense I'd been betrayed
Your finger on my hairpin triggers
Soldier down on that icy ground
Looked up at me with honor and truth
Broken and blue, so I called off the troops
That was the night I nearly lost you
I really thought I'd lost you

We can plant a memory garden
Say a solemn prayer, place a poppy in my hair
There's no morning glory, it was war, it wasn't fair
And we will never go back

To that bloodshed, crimson clover
Uh-huh, the worst was over
My hand was the one you reached for
All throughout the Great War

Always remember
Uh-huh, we're burned for better
I vowed I will always be yours
'Cause we survived the Great War
Uh-huh
Uh-huh

I'll always be yours
'Cause we survived the Great War
Uh-huh
I vowed I will always be yours
