

Taylor Swift - The Other Side Of The Door

Tom: A

(com acordes na forma de Capostraste na 2ª casa G)

In the heat of the fight I walked away
Ignoring words that you were saying trying to make me stay

I said this time I've had enough
And you've called a hundred times but I'm not picking up
Cause I'm so mad I might tell you that it's over
But if you look a little closer

I said leave but all I really want is you
To stand outside my window throwing pebbles
Screaming I'm in love with you
Wait there in the pouring rain, come back for more
And don't you leave cause I know
All I need is on the other side of the door
(D A Em G)

Me and my stupid pride are sitting here alone
Going through the photographs, staring at the phone

I keep going back over things we both said
And I remember the slamming door
And all the things that I misread
So babe, if you know everything
Tell me why you couldn't see
When I left I wanted you to chase after me

I said leave but all I really want is you
To stand outside my window throwing pebbles

Screaming I'm in love with you
Wait there in the pouring rain, come back for more

And don't you leave cause I know
All I need is on the other side of the door

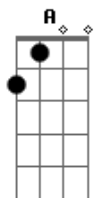

And I'll scream out the window
I can't even look at you
I don't need you

But I do, I do, I do
I'll say there's nothing you can say
To make this right again
I mean it, I mean it
What I mean is

I said leave but baby all I want is you
To stand outside my window throwing pebbles
Screaming I'm in love with you
Wait there in the pouring rain, come back for more
And don't you leave cause I know
All I need is on the other side of the door

With your face and your beautiful eyes
And the conversation with the little white lies
And the faded picture of a beautiful night
You carried me from your car up the stairs
And I broke down crying, was she worth this mess
After everything and that little black dress
After everything I must confess
I need you
