

## **Taylor Swift - The Outside**

```
Tom: D
  D A Em G x2
 I didn't know what I would find
When I went looking for a reason, I know
 I didn't read between the lines
 And, baby, I've got nowhere to go
I tried to take the road less traveled by
But nothing seems to work the first few times
 Am I right?
  D
So how can I ever try to be better?
Nobody ever lets me in
I can still see you, this ain't the best view
On the outside looking in
I've been a lot of lonely places
I've never been on the outside
 You saw me there, but never knew
I would give it all up to be
A part of this, a part of you
```

```
And now it's all too late so you see
 You could've helped if you had wanted to
 But no one notices until it's too
 Late to do anything
How can I ever try to be better?
Nobody ever lets me in
I can still see you, this ain't the best view
On the outside looking in
I've been a lot of lonely places
I've never been on the outside
How can I ever try to be better?
Nobody ever lets me in
I can still see you, this ain't the best view
On the outside looking in
I've been a lot of lonely places
I've never been on the outside
D A Em G D A Em x2
