tom:  
[Intro] C G Am F

F  
Clear blue water  
High tide, came and brought you in C  
And I could go, on and on, on and on and I will  
F C  
Skies grew darker, currents swept you out again  
And you were just gone and gone, gone and gone  
F Am  
In silent screams, in wildest dreams I  
F  
Never dreamed of this  
F  
This love is good, this love is bad  
C  
This love is alive back from the dead  
Am  
Oh, these hands had to let it go free  
G  
And this love came back to me  
F C Am G  
Oh oh oh, oh oh oh, oh oh oh  
F  
My castle crumbled overnight  
C  
I brought a knife to a gunfight  
G Am  
They took the crown but it's alright  
F  
All the liars are calling me one  
C  
Nobody's heard from me for months  
G Am  
I'm doing better than I ever was, cause  
F  
My baby's fit like a daydream  
C  
Walking with his head down  
I'm the one he's walking to G  
So call it what you want, yeah Am  
Call it what you want to G  
F  
My baby's fly like a jet stream  
C  
High above the whole scene  
Loves me like I'm brand new G  
So call it what you want, yeah Am  
Call it what you want to F  
C  
Call it what you want, call it what you want, call it G  
Am

Your kiss, my cheek

I watched you leave  
G Am  
Your smile, my ghost  
F C  
I fell to my knees
