

# Taylor Swift - Tied Togheter With a Smile

Tom: **D**

Tuning: Standard **D G Em A D**

**D G A** x2

**D**  
Seems the only one who doesn't see your beauty  
**D**  
Is the face in the mirror looking back at you  
**D**  
You walk around here thinking you're not pretty  
**Em D G**  
But that's not true, cause I know you? **Em D G**

**D**  
Hold on, baby, you're losing it  
**G**  
The water's high, you're jumping into it  
**Em**  
And letting go... and no one knows **A**  
**D**  
You cry, but you don't tell anyone  
**G**  
That you might not be the golden one **Em**  
**G**  
And you're tied together with a smile  
**D A Em G**  
But you're coming undone

**D**  
I guess it's true that love was all you wanted **G**  
**D**  
Cause you're giving it away like it's extra change **G**  
**D**  
Hoping it will end up in his pocket **G**  
**Em**  
But he leaves you out like a penny in the rain **D**  
**Em**  
Oh, cause it's not his price to pay **G**

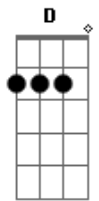

Not his price to pay

**D**  
Hold on, baby, you're losing it  
**G**  
The water's high, you're jumping into it  
**Em**  
And letting go... and no one knows **A**  
**D**  
You cry, but you don't tell anyone  
**G**  
That you might not be the golden one **Em**  
**G**  
And you're tied together with a smile  
**D A Em G**  
But you're coming undone

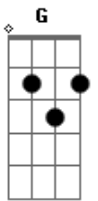

**D**  
Hold on, baby, you're losing it  
**G**  
The water's high, you're jumping into it  
**Em**  
And letting go... and no one knows **A**  
**D**  
You cry, but you don't tell anyone  
**G**  
That you might not be the golden one **Em**  
**G**  
And you're tied together with a smile  
**D A Em**  
But you're coming undone

**G**  
You're tied together with a smile  
**D A Em**  
But you're coming undone? oh **G**  
Goodbye, baby  
With a smile, baby, baby  
**D A Em G** x2 **D**
