Intro: **D7M** **E** **A** **D7M** **E**

[Primeira Parte]

D7M **E**
I sit and watch you reading with your head low
D7M **E**
I wake and watch you breathing with your eyes closed
D7M
I sit and watch you
E **D7M**
I notice everything you do or don't do

You're so much older and wiser, and I

[Refrão]

A **D7M**
I wait by the door like I'm just a kid
Gbm
Use my best colors for your portrait
E
Lay the table with the fancy shit
A
And watch you tolerate it
D7M
If it's all in my head tell me now
Gbm
Tell me I've got it wrong somehow
E
I know my love should be celebrated
D7M
But you tolerate it

[Segunda Parte]

E
I greet you with a battle hero's welcome
D7M **E**
I take your indiscretions all in good fun
D7M **E** **D7M**
I sit and list'n, I polish plates until they gleam and
glist'n
E
You're so much older and wiser, and I

[Refrão]

Use my best colors for your portrait
