G D  
Put your lips close to mine

As long as they don't touch

Out of focus eye to eye

Till the gravity is too much

And I'll do anything you say  
Em C  
If you say it with your hands  
G D Em C  
And I'd be smart to walk away but you're quick sand

This slope is Treacherous

This path is reckless  
G D  
This slope is Treacherous  
Em C G  
And I I I like it

G D  
I can't decide if it's a choice  
Em C  
Getting swept away  
G D  
I hear the sound of my own voice

Asking you to stay  
G D  
And all we are is skin and bone  
Em C  
Trained to get along  
G D  
Forever going with the flow

But you're friction
