

Taylor Swift - We Are Never Ever Getting Back Together / This Is Why We Can't Have Nice Things (medley)

```
Tom: G
Uh uh uh uh uh. Uh uh uh uh uh (x4)
We are never ever ever getting back together
We are never ever getting back together
You go talk to your friends talk to my friends talk to me
But we are never ever ever getting back together
     here's to my real friends
F Dm Bb
     and here's to my baby
F Dm Bb
Oh, they don't care about that he said, she said F Dm Bb C F
We are never ever ever getting back together
It was so nice throwing big parties
Jumping in the pool from the balcony
Everyone swimming in a champagne sea
And there are no rules when you show up here
Bass beat rattling the chandelier
Feeling so Gatsby for that whole year
So why'd you have to rain on my parade?
I'm shaking my head
I'm locking the gates
                              Dm
                                      Rh C
This is why we can't have nice things, darling
Because you break them
I had to take them away
                            Dm
                                      Bb C
This is why we can't have nice things, honey
Did you think I wouldn't hear
All the things you said about me?
This is why we can't have nice things
It was so nice being friends again
There I was giving you a second chance
But then you stabbed my back
While shaking my hand
And therein lies the issue
Friends don't try to trick you
Get you on the phone and mind-twist you
```

```
And so I took an ax to a mended fence
But I'm not the only friend you've lost lately
If only you weren't
So shady
This is why we can't have nice things, darling
Because you break them
I had to take them away
                               Dm
This is why we can't have nice things, honey
Did you think I wouldn't hear
All the things you said about me?
This is why we can't have nice things
Here's a toast to my real friends
They don't care about that he said, she said
And here's to my baby
He ain't reading what they call me lately
And here's to my momma
Had to listen to all this drama
And here's to you
'Cause forgiveness is a nice thing to do
N.C.
Haha, I can't even say it with a straight face
                              Dm
This is why we can't have nice things, darling
Because you break them
I had to take them away
                          F
                              Dm
This is why we can't have nice things, honey
Did you think I wouldn't hear
All the things you said about me?
This is why we can't have nice things
(And here's to my real friends)
Because you break them, I had to take them away
(And here's to my baby)
This is why we can't have nice things, darling
(He didn't care about that he said, she said)
Did you think I wouldn't hear
All the things you said about me?
This is why we can't have nice things
```
