

Taylor Swift - Who's Afraid Of Little Old Me

tom: C Dm

The who's who of who's that
Is poised for the attack
But my bare hands paved their paths

You don't get to tell
Me about sad

Ooh Ooh

If you wanted me dead
You should've just said

Ooh ooh

Nothing makes me feel more alive

So I leap from the gallows
And I levitate down your street
Crash the party like a record
Scratch as I scream

Who's afraid of little old me?
You should be

(C Am G C Dm Am G)

The scandal was contained
The bullet had just grazed
At all costs, keep your good name
You don't get to tell me
You feel bad, ooh ooh

Is it a wonder I broke?
Let's hear one mor? joke
Ooh ooh

Then we could all
Just laugh until I cry

So I leap from the gallows
And I levitate down your street
Crash the party like a record
Scratch as I scream

Who's afraid of little old me?
I was tame, I was gentle
Till the circus life made me mean

Don't you worry, folks
We took out all her teeth
So who's afraid of
Little old me

Well you should be
You should be
You should be

So tell me everything
Is not about me
But what if it is?

Then say they didn't do
It to hurt me
But what if they did?

I wanna snarl and show you
Just how disturbed
This has made me
You wouldn't last an hour
In the asylum where they raised me
So all you kids can sneak
Into my house with all the cobwebs
I'm always drunk
On my own tears
Isn't that what they all said?

That I'll sue you
If you step on my lawn

That I'm fearsome
And I'm wretched
And I'm wrong
Put narcotics into all of my songs
And that's why you're still singing along

So I leap from the gallows
And I levitate down your street
Crash the party like a record
Scratch as I scream
Who's afraid of little old me?
I was tame, I was gentle
Till the circus life made me mean

Don't you worry, folks
