

Taylor Swift - Wonderland

Tom: Eb

(com acordes na forma de C)
Capostrate na 3ª casa
Intro: C

Verso:

Flashing lights and we took a wrong turn and we
Fell down the rabbit hole

You held on tight to me 'cause nothing's as it seems
Spinning out of control

Pre-Refrão:

Didn't they tell us don't rush into things
Didn't you flash your green eyes on me
Haven't you heard what becomes of curious minds
Didn't it all seem new and exciting
I felt your arms twisting around me
I should've slept with one eye opened at night

Refrão:

We found wonderland
You and I got lost in it
And we pretended it could last forever
We found wonderland
You and I got lost in it
And life was never worse but never better
In wonderland
In wonderland
In wonderland
In wonderland

Verso:

So we went on our way, too in love to think straight
All alone or so it seemed
But there were strangers watching and whispers turned to talking
And talking turned to screams

Pre-Refrão:

Didn't they tell us don't rush into things
Didn't you flash your green eyes on me

Didn't you call my fears with the Cheshire cat's smile
Didn't it all seem new and exciting
I felt your arms twisting around me
So fun a game, still somebody loses his mind
Refrão:

We found wonderland
You and I got lost in it
And we pretended it could last forever
We found wonderland
You and I got lost in it
And life was never worse but never better
In wonderland
In wonderland
In wonderland
In wonderland

Ponte:

I reach for you
But you were gone
I knew I had to go back home
You searched the world for something else to make you feel like what we had
And in the end in wonderland we both went mad

Refrão:

We found wonderland
You and I got lost in it
And we pretended it could last forever
We found wonderland
You and I got lost in it
And life was never worse but never better
We found wonderland
You and I got lost in it
And life was never worse but never better
In wonderland
