

# Taylor Swift - You're On Your Own, Kid

tom:  
D (forma dos acordes no tom de C)  
Capostrate na 2ª casa

Summer went away, still the yearning stays  
I play it cool with the best of them  
I wait patiently, he's gonna notice me  
It's okay, we're the best of friends  
Anyway  
I hear it in your voice, you're smokin' with your boys  
I touch my phone as if it's your face  
I didn't choose this town, I dream of getting out  
There's just one who could make me stay  
All my days  
From sprinkler splashes to fireplace ashes  
I waited ages to see you there  
I search the party of better bodies  
Just to learn that you never cared  
You're on your own, kid, you always have been  
I see the great escape, so long, Daisy May  
I picked the petals, he loves me not  
Something different bloomed, writing in my room  
I play my songs in the parking lot  
I'll run away  
From sprinkler splashes to fireplace ashes

I called a taxi to take me there  
I search the party of better bodies  
Just to learn that my dreams aren't rare  
You're on your own, kid, you always have been  
( F2 G C Am )  
( F2 G C Am )  
( F2 G )  
From sprinkler splashes to fireplace ashes  
I gave my blood, sweat and tears for this  
I hosted parties and starved my body  
Like I'd be saved by a perfect kiss  
The jokes weren't funny, I took the money  
My friends from home don't know what to say  
I looked around in a blood-soaked gown  
And I saw something they can't take away  
'Cause there were pages turned  
With the bridges burned  
Everything you lose is a step you take  
So make the friendship bracelets  
Take the moment and taste it  
You've got no reason to be afraid  
You're on your own, kid  
Yeah, you can face this  
You're on your own, kid  
You always have been
