Verse 1:

**Em** **C** **G**  
 Heard a song tonight on the radio,  
**D** **Em**  
 another girl sings about a boy,  
**C** **G**  
 just see's his face in every space,  
**D** **Em** **C** **G** **D**  
 every room, and i know, if i turn around  
**Em** **C** **G** **D**  
 you wont be there, if i close my eyes will  
 you be there...

**D** **Em** **C**  
 And i dont wanna lose your face,  
**G** **D**  
 and i dont wanna wake up one day  
**Em** **C**  
 and not remember what time erased  
**G** **D**  
 and i dont wanna turn around,  
**Em** **C**  
 cause im not scared of what love  
**G** **D**  
 gave me and took away  
**Em** **C**  
 and i dont wanna lose your face...

**Em** **C** **G**  
 Got a picture of you in my bedroom  
**D** **Em**  
 and i hope it never falls,  
**C** **G**  
 hope i never lose that feelin  
**D** **Em** **C**  
 i used to get when you'd call,  
**G** **D**  
 and i wander to myself,  
**Em** **C**  
 who were you, where are you,  
**G** **D**  
 will you ever hear at all...

**D** **Em** **C**  
 And i dont wanna lose your face,  
**G** **D**  
 and i dont wanna wake up one day  
**Em** **C**  
 and not remember what time erased  
**G** **D**  
 and i dont wanna turn around,  
**Em** **C**  
 cause im not scared of what love  
**G** **D**  
 gave me and took away  
**Em** **C**  
 and i dont wanna lose your face...
