Could I loved you all my life

If you hadn't left me waiting in the cold

Could you tell me is this fair?
C G
Is this the way it's really going down?

Should've known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around
D Am
Cause I know that you're living a lie
C G D
But that's ok, baby, cause in time you will find

Am C
What goes around, goes around, goes around,
G D
Comes all the way back around
Am C
What goes around, goes around, goes around,
G D
Comes all the way back around
Am C
What goes around, goes around, goes around,
G D

What she's doing to you

What you did to me
Em
Ain't that the way it goes

D
