

Tchê Barbaridade - De à cavalo

tom:

C

Intro: **C D G7 C**

Eu tô chegando de a cavalo companheiro

Passei o mês inteiro com vontade de dançar

E as filhas da chimbica florisbela

Já estão com o mate de espera loucas pra nos ver chegar
(Bis..)

Vai seeu gaaai...teiro capricha no fole

Que eu quero dançar

Depois vou levar a morena pra fora

Por nossa senhora hoje eu vou namorar)
(Bis..)

Intro: **C**

E se um gaitaço me resmungo nas orêia

Eu já alço a sobranceia e tiro a faca da bainha

E vou gritando num jeitão bem bagaceira

Toca pra mim seu gaiteiro mais uma do Teixeira (Bis..)

(Vai seeu gaaai...teiro capricha no fole

Que eu quero dançar

Depois vou levar a morena pra fora

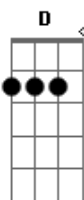

Por nossa senhora hoje eu vou namorar) Bis
