

# Tears For Fears - Break It Down Again

Tom: C

Int.

C Dm7 C F  
C Dm7 C F  
Am7

Verse one:

C  
Break it down again

Am So those are my dreams

G And these are my eyes

C Stand tall like a man

C Head strong like a horse

Am7 When it's all mixed up

C7 Better break it down C

Am7 In a world of secrets

C7 In a world of sounds C

Chorus One:

F It's in the way you're always hiding from the light G

Am7 See for yourself you have been sitting on a time bomb G

F No revolution maybe someone somewhere else G

Am7 Could show you something new about you and your inner song G

F And all the love and all the love in the world C7

Am7 Won't stop the rain from falling, waste seeping underground

I want to break it down (break it down again)

Verse two (as verse one):

Break it down again  
So those are my schemes  
And these are my plans  
Hot tips for the boys  
Fresh news from the force  
When it's all mixed up  
Better break it down  
In the world of silence  
In the world of sound

Chorus two (as chorus one):

No sleep for dreaming say the architects of life  
Big bouncing babies bread and butter can I have a slice  
They make no mention for the beauty of decay  
Blue yellow pink umbrella save it for a rainy day  
And all the love and all the love in the world  
Won't stop the rain from falling  
Waste seeping underground  
I want to break it down (break it down again)

Instrumental:

C Dm7 C F  
C Dm7 C F  
Am7

Coda:

Am7  
Horsing around  
D7  
Pray to the power  
Am7  
Play to the crowd with your big hit sound

Edim  
And they won't simmer won't simmer won't simmer down  
Am7  
Play to the crowd  
D7  
Play to the crowd  
D7  
Play

Chorus Three (as chorus one):

It's in the way you always hiding from the light  
Fast off from heaven just like Moses on a motorbike  
No revolution maybe someone somewhere else  
Could show you something new to help you with the ups and  
downs  
I want to break it down (break it down again)

Ending:

(No chord)  
Break it down again

No more sleepy dreaming

C  
No more building up C7 F  
F7M It is time to dissolve

C Break it down again F7M  
C7 F C  
No more sleepy dreaming

## Acordes
