Verse two (as verse one):

Better break it down
In the world of silence
In the world of sound

Chorus two (as chorus one):

No sleep for dreaming say the architects of life
Big bouncing babies bread and butter can I have a slice
They make no mention for the beauty of decay
Blue yellow pink umberella save it for a rainy day

Won't stop the rain from falling
Waste seeping underground
I want to break it down (break it down again)
