

Tears For Fears - Break The Man

tom:

Intro: Bm Gbm A Bm Gbm

F This was never what I thought it was

This is not who we are

A This is where someone was meant to say

Enough is enough

F This is nothing like they said it would be

This is all gone too far

A When everything is running out

Gbm E This is love

D D She's the fire and the fallout

A D She reminds you of the things we never talk about

D She's the lover with the best-laid plan

A A To break the man

D D She's a sinner in a side show

A A She feels at home when there's nowhere left to go

D D She's the devil you understand

A A Break the man

F No more tearing the bandages off

No more living a lie

A No more chewing the scenery

Gbm No more rain, no more rain

F No more wondering what happens now

No more holding your feet to the fire

A When everything is running down
Gbm No more pain

D D She's the fire and the fallout

A A She reminds you of the things we never talk about

D D She's the lover with the best-laid plan

A A To break the man

D D She's the trouble in the headline

A A She's the mother who turns back father time

D D She's the devil you understand

A A Break the man

(F A Gbm)

F No more wondering what happens now

No more holding your feet to the fire

A When everything is running down

Gbm E This is love
