

Tears For Fears - Break The Man

tom:

Intro: Bm Gbm A Bm Gbm

F This was never what I thought it was

This is not who we are

A This is where someone was meant to say

Enough is enough

F This is nothing like they said it would be

This is all gone too far

A When everything is running out
Gbm E
This is love

She's the fire and the D fallout

She reminds you of the A things we never talk about
D D

She's the lover with the best-laid plan

A A
To break the man

D D
She's a sinner in a side show

She feels at home when there's A nowhere left to go
D D

She's the devil you understand

A A
Break the man

F No more tearing the bandages off

No more living a lie

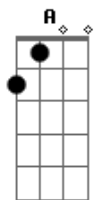

A No more chewing the scenery
Gbm

No more rain, no more rain

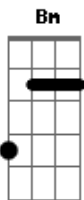

F No more wondering what happens now

No more holding your feet to the fire
