All around me are familiar faces.
                                                                               Bb
                                                              Happy birthday. Happy birthday.
                 Bb
Worn out places. Worn out faces.
                                                                                      Ab

Bright and early for their daily races.
                                                                              Bb
                                                              Sit and listen. Sit and listen.

Going nowhere. Going nowhere.
                                                              Went to school and I was very nervous.
And their tears are filling up their glasses.
                                                                               Bb
