Teddy Swims - God Went Crazy

```
                 tom:
                  G
Intro: C  Bm  Bb  D

C                         Bm
  God went crazy when He painted you
Bb                               D
   Ain't seen nothin' like this before, mm
C                       Bm
  Took a lil' extra time on you
Bb                          D
   Before He let you walk out the door

                     Em
You got that smile, babe
                                      Gbm
You got that subtle Mona Lisa, drive me wild, babe
                                           G
I'd give it all up just to keep you by my side, babe

I knew it from the jump

Fit right in my arms like you the one

           A
Yeah, I'm made for you
    D         G
I prayed for you
            A
There's a light in your eyes
                          Bm             G
Every color in the sky don't come close to you
          A
Yeah, I'm made for you
   D         G
I prayed for you

Swear that God went crazy when He painted you

( Gb  G  A  D )

Ooh, mm
```
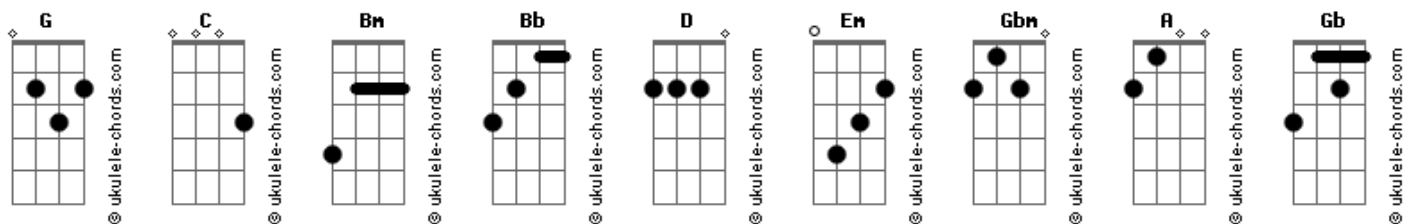

```
Ooh

C                         Bm
  God went crazy when He gave me you (God went crazy, baby)
Bb                               D
   Must have done something' good in another life (ooh), yeah
C                         Bm
  Fifty shades with them baby blues (took a lil' time, baby)
Bb                          D
   So immaculately designed (ooh, I can't let you go, you got
that)

                     Em
You got that smile, babe
                                      Gbm
You got that subtle Mona Lisa, drive me wild, babe
                                           G
I'd give it all up just to keep you by my side, babe

I knew it from the jump

Fit right in my arms like you the one

           A
Yeah, I'm made for you
    D         G
I prayed for you (I prayed for you)
            A
There's a light in your eyes
                          Bm             G
Every color in the sky don't come close to you
          A
Yeah, I'm made for you
   D         G
I prayed for you
Swear that God went crazy when He painted you

[Final] Gb  G  A  D

Ooh, yeah

Oh Ooh
```
