

Teddy Swims - Happy People (feat. X Ambassadors & Jac Ross)

tom:
Intro: F Gm Bb Dm

Everywhere I go

All I see is blue skies in lovers' eyes
Kissin' under city lights and
Don't they make it all look so easy?

I tried and I tried

To fake a smile, pretend that I
Won't be going home lonely tonight
Goddamn, I wish didn't feel so crazy

I wish I could be like

Happy
Happy people
I just wanna be like
Happy
Happy people

But I'm suffering inside
Losing my mind
These smiles, they just make me cry
Every time
'Cause happy
Happy people
Just remind me of you
Everywhere I've been

All I hear is I-love-yous, vows renewed
Holding hands and jumping brooms
Man, they make it look so easy
And I tried and I tried
To tell myself, "just give it time"
But these tears never ever dry
Good lord, I feel like I'm just fading

But I wanna be like
Happy
Happy people

I just wanna be like

Happy
Happy people

But I'm suffering inside
Losing my mind
These smiles, they just make me cry
Every time
'Cause happy
Happy people
Just remind me of you
You

'Cause night after night, I see your face
You opened my eyes and I can't look away
You stare back at me
You're staring back at me, yeah

Oh and time after time I've made my mistakes
Haunted by memories I can't erase

I just wanna be
I wanna be happy
I just wanna be, just wanna be
Mmm, I wanna be happy, happy
Yeah

I wish I could be like
Happy
Happy people
I just wanna be like
Happy
Happy people
But I'm suffering inside
Losing my mind

These smiles, they just make me cry
Every time
'Cause happy
Happy people
Just remind me of you
You-you-you-you

Acordes

You, you, you

F

ukulele-chords.com

The diagram shows a 4-string ukulele fretboard with 4 frets. The F chord is formed by pressing the 1st fret of the C string (bottom), the 2nd fret of the G string (top), and the 3rd fret of the E string (second from top). The A string (bottom) is not played.

Gm
