Intro: Db Ab Bbm Gb

Db Ab Bbm Gb  
 I'm going under and this time I fear there's no one to save me  
 This all or nothing really got a way of driving me crazy  
 I need somebody to heal, somebody to know  
 Somebody to have, somebody to hold  
 It's easy to say, but it's never the same  
 I guess I kinda liked the way you numbed all the pain  
 Now the day bleeds into nightfall  
 And you're not here to get me through it all  
 I let my guard down and then you pulled the rug  
 I was getting kinda used to being someone you loved  
 I'm going under and this time I fear there's no one to turn to  
 This all or nothing way of loving got me sleeping without you  
 Now, I need somebody to know, somebody to heal  
 Somebody to have, just to know how it feels

It's easy to say, but it's never the same  
 I guess I kinda liked the way you helped me escape  
 Now the day bleeds into nightfall  
 And you're not here to get me through it all  
 I let my guard down and then you pulled the rug  
 I was getting kinda used to being someone you loved  
 And I tend to close my eyes when it hurts sometimes I fall  
 into your arms  
 I'll be safe in your sound 'til I come back around  
 For Now the day bleeds into nightfall  
 And you're not here to get me through it all  
 I let my guard down and then you pulled the rug  
 I was getting kinda used to being someone you loved  
 I let my guard down and then you pulled the rug  
 I was getting kinda used to being someone you loved
