

# Tegan And Sara - Hold My Breath Until I Die

Tom: G

Late at night, when your words are eating me alive  
 Does it make you sad to leave me here like that?  
 In my dreams? the blood runs from my eyes  
 If I fall? will you catch me in your arms? (catch me in your arms)

When you asked me who? I should have said it's you  
 Now it seems like it will never be, will never be

Oh, if I hold my breath until I die? I'll be alright  
 Oh, if I hold my breath until I die? I'll be alright  
 Oh? if I (if I) hold my breath (hold my)  
 Until I die (breath, I), I'll be alright  
 Oh, if I (if I) hold my breath (hold my)  
 Until I die (breath, I), I'll be alright

Shame on me 'cause I can't help fallin' at your feet  
 It makes me mad to see you leave like that  
 I'm so lost, running circles in my head  
 If I jump, will you catch me in your arms? (catch me in your arms)

When you asked me who? I should have said it's you  
 Now it seems like it will never be, will never be

Oh, if I hold my breath until I die? I'll be alright  
 Oh, if I hold my breath until I die? I'll be alright

Oh, if I hold my breath until I die? I'll be alright  
 Oh? if I (if I) hold my breath (hold my)  
 Until I die (breath, I), I'll be alright  
 Oh, if I (if I) hold my breath (hold my)  
 Until I die (breath, I), I'll be alright

I said I'm sorry (I'm sorry)  
 Does it bother you? (bother you)  
 Why does it bother you? (bother you)  
 I said I'm sorry (I'm sorry)  
 Does it bother you? (bother you)  
 Why does it bother you? (bother you)

Oh, if I hold my breath until I die? I'll be alright  
 Oh, if I hold my breath until I die? I'll be alright  
 Oh? if I (if I) hold my breath (hold my)  
 Until I die (breath, I), I'll be alright  
 Oh, if I (if I) hold my breath (hold my)  
 Until I die (breath, I), I'll be alright

I said I'm sorry  
 Does it bother you?  
 Why does it bother you?  
 I said I'm sorry  
 Does it bother you?  
 Why does it bother you?
