

## Telekinesis - Coast Of Carolina

```
Tom: B
Woke up in another lifetime
It's a shame it's just not right now
Dreaming of the coast of Carolina
Dreaming all the ways that you will smile
E
Come down, come quickly
Gb
Look at the lights in the big city
Sewers smoking what the hell
Is it toxic? I can't tell
When they wake up twist and turn
Feel my insides bubble and burn
Constant conversations with my self
            Gb
Goddamn this isn't fair
Refrão:
Dbm
Turn it up, turn it up
Yo-oo-whoa you the knooooow

```

## Acordes

```
I can feel you holding my hand
Left at first and down to third
I swear my heart will burst
Looking for a place to go
Keep my moving fast and slow
As the crowds follow my path
             Gb
I know this is going to last
Turn it up, turn it up E
Yo-oo-whoa you the knooooow
Yeah you the knooooow
     Gb
Yeah, maaaaan
I said turn it up, turn it up
Yo-oo-whoa You the knooooow

      Gb
