

Teleoworship - A Tua Graça Me Alcançou

tom: G

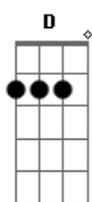

Cansado de vagar, por aí
 Busquei sem encontrar
 O que nem sabia que perdi

Algo que me desse paz, quis ouvir
 Tentando decifrar
 O motivo de existir

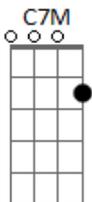

Am7 G D Am7
 No silêncio da noite a chorar
 Am7 G D
 Um vazio no peito a incomodar
 Am7 G D Cadd9
 Ouço Sua doce voz a me chamar
 D
 Pelo nome

 A Tua graça me alcançou
 Am7 G Cadd9 D G
 Agora os meus olhos te veem, Jesus meu redentor
 G D
 E a Tua graça é melhor do que a vida
 Am7 G Cadd9 D C7M D C7M D
 Pois não existe vida longe, de Ti meu criador
