

Télépopmusik - Don't Look Back

Tom: **Bb**
Intro: **Gm Bb**

Bb **Gm**
Sit Still, and close your eyes
Dm Em Gm Bb
What's behind the other door
Dm Gm Dm
No more silence, don't kill this thing we got called love
Gm Eb
Just searching for the perfect drug

Cm
When Love comes calling
Dm Am
Don't look back
Cm
When love comes calling

Gm
Don't look away
(**Dm**)

Gm
And I'm standing over here

Dm
Watching you over there
Gm Dm
Smiling, happy, unaware
Gm
Oh, life is spinning round
Dm
You're going underground, forgetting who we were
Gm Cm
Let's try and keep it just one more day

Gm
You take your love
Bb
And throw it all around
Dm Gm
Like it's nothing special
Dm
Just a sound
Gm Dm
Let me say one more thing
Gm
I don't think you realize
Eb
That a day is like a year sometime

Acordes
