F Bb Bbm

But like heaven above me the spy who loved me
A7 D7 Gm7 C7 F

Is keepin' all my secrets safe tonight

And nobody does it better Though sometimes I wish someone could Nobody does it quite the way you do Why'd you have to be so good?

The way that you hold me, whenever you hold me There's some kind of magic inside you That keeps me from runnin' but just keep it comin' How'd you learn to do the things you do?
