I wasn't lookin' but somehow you found me

F Dm A7 F

I tried to hide from your love light

F Bb Bbm

But like heaven above me the spy who loved me

A7 D7 Gm C7 F

Is keepin' all my secrets safe tonight

And nobody does it better

Though sometimes I wish someone could

Nobody does it quite the way you do

Why'd you have to be so good?

The way that you hold me, whenever you hold me

There's some kind of magic inside you

That keeps me from runnin' but just keep it comin'

How'd you learn to do the things you do?
