

Temas de Filmes - A identidade Bourne (Moby - Extreme Ways)

Tom: **D**

[Intro:] **Bm A Em Bm**

Bm
Extreme ways are back again
Extreme places I didn't know
A
I broke everything new again
Everything that I'd owned
Em
I threw it out the windows, came along
Extreme ways I know
Bm
Will part the colors of my sea
Perfect color me

Extreme ways that help me
Help me out late at night
Extreme places I had gone
But never seen any light
Dirty basements, dirty noise
Dirty places coming through
Extreme worlds alone
Did you ever like it planned

Em **D**
I won't stand in line for this
Em **D**
There's always room in life for this

Bm
Oh baby, oh baby
A

Then it fell apart, it fell apart

Em
Oh baby, oh baby

Bm
Then it fell apart, it fell apart

Bm
Oh baby, oh baby

A
Then it fell apart, it fell apart

Em
Oh baby, oh baby

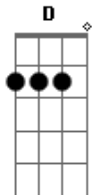

Bm
Like it always does, always does

Extreme sounds that told me
They helped me down every night
I didn't have much to say
I didn't get above the light
I closed my eyes and closed myself
And closed my world and never opened
Up to anything
That could get me along

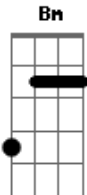

I had to close down everything
I had to close down my mind
Too many things that caught me
Too much can make you blind
I've seen so much in so many places
So many heartaches, so many faces
So many dirty things
You couldn't even believe

I won't stand in line for this
It's always good in life for this
