In anyone else,  
But you

Here is a church and here is a steeple,  
**C**  
We sure are cute for two ugly people,  
**G**  
Don't see what anyone can see,  
**C**  
In anyone else,  
But you

**G**  
We both have shiny happy fits of rage,  
**C**  
I want more fans, you want more stage,  
**G**  
Don't see what anyone can see,  
**C**  
In anyone else,  
But you

**G**

**C**  
Now I'm in love with how you feel,  
**G**

I don't see what anyone can see,  
**C**  
In anyone else,  
But you

**G**  
I kiss you on the brain in the shadow of the train,  
**C**  
I kiss you all starry eyed,  
My body swings from side to side,  
**G**  
I don't see what anyone can see,  
**C**  
In anyone else,  
But you

**G**  
The pebbles forgive me,  
The trees forgive me,  
**C**  
So why can't,  
You forgive me?

**G**  
I don't see what anyone can see,  
**C**  
In anyone else,  
But you

**G**  
Du du du du du du dudu  
**C**  
Du du du du du du dudu

**G**  
I don't see what anyone can see,  
**C**  
In anyone else,  
But you.
